Where dreams become reality

Former Canadian Olympic Team coach and ten year MLB scout, Marty Lehn and former Boston Red Sox player, Colin Dixon, head up the camp.

Marty has ten years of experience as an MLB scout with the Milwaukee Brewers and Philadelphia Phillies and has been part of the Canadian National team since 1991 and Team British Columbia since 1989. The summer of 2004 proved to be a most memorable one for Marty as he was on the coaching staff of the Canadian Olympic Team that finished fourth at the 2004 Olympic Games held in Athens, Greece. In 2005, Marty guided Team B.C. to a Silver Medal and to a Gold in 2001 at the Canada Games. He was also a coach of the 1999 Canadian team that won bronze at the Pan American Games. In 1998, he was named Canadian Coach of the year, and in 1997 B.C. Coach of the Year. He has been

a guest coach with the Toronto Blue Jays and Chicago White Sox organizations. Marty is a NCCP Level IV coach that leads a number of coach and player clinics throughout the year. Marty played and Coached at Southeastern Louisiana University where he completed a Masters Degree in Exercise Science and Health Promotion.

Colin was drafted by the Boston Red Sox in 1989 and played for eight years with that organization up to the AAA level. He then signed with the Colorado Rockies organization as a free agent. He was a member of the 1999 Team Canada that won the bronze medal at the Pan Am Games in Winnipeg, Manitoba. In 1998 he was named to America's All-Star team at the America's Cup Challenge and participated at the World Championships held in Italy later that year. Colin attended Southeastern Louisiana University where he led the team in a number of offensive categories and received All American status. He was the youngest player to play for Canada's National and Jr. National teams at age 17 and is a product of B.C.'s elite development programs.
