

Best of the West – Bantam AAA and Bantam AA Rules

Welcome everyone to the “Best of the West” Bantam Classic Tournament.

RULES:

Time limit: All games are 7 innings or time limit (2 hours) no new inning after the 2 hour mark. If we are at time and the game is tied at that mark, it will go down as a tie. Other circumstances that could happen:

- If a game is tied after 7 innings and under the time, it will be played with a speed up rule - runner at 1st and 2nd with 1 out and all hitters start with a 1 – 1 count.

- If an inning has started and the time limited is reached, it must be completed unless the home team is leading – then the game is over

- If weather or an unforeseen incident occurs during the game, we will resume the game at the present point at a later time – Please understand that 5 innings constitute a complete game and will not be resumed (4 ½ if the home team is leading).

Home Team: Decided by a Coin flip in round robin games and then higher seed has the option in the Playoff round

Mercy Rule: 12 runs after 4 innings and 8 runs after 5 complete will be in effect.

Tie Breaker: 1. Best Record 2. Head to Head 3. Defensive runs against in all games played 4. Run Differential 5. Most runs scored in all round robin games 6. Sudden death mini game

(+ or – 12 runs** will be used in “D” runs against, “O” runs for and Differential)**

Slide or Avoid: Straight into the bag or attempt to avoid contact. Please note that it will be the umpires discretion on incidental contact:

Speed up Rule: You can run for the pitcher or catcher at any time – player must be someone presently not in the game. In a given inning, a player can only run for either the Pitcher or catcher – not both.

Official Book: The home team has the official book. Umpires will confirm official score with home team book.

DH, EH or Hitting your whole Line up: If you wish, you can have both an DH, EH or hit your whole line up. If you have an EH or hit your whole line – up, Players can be freely substituted to play defense, you do not have to report defensive changes to the umpire. Please note; If you hit the whole line up and someone is ejected or hurt, that spot in the line up will be an out.

Re Entry: If not hitting your whole line-up, you can re-enter for the starters, just make sure they come back in the same spot in the batting order

Pitching Rules: There are none. This will be left it up to you, but I strongly suggest you abide by the rules set up by your organization.

BAT Reg:
